

# Find Your Wrist Size

Wrap a flexible tape measure around your wrist, just below the wrist bone. Pull it tight so it's snug, but not uncomfortable. This is your wrist size.

If you add more than 5 charms, select one size larger than your regular size.

Length (cm)	Length (in)
16*	6.3
17	6.7
18	7.1
19	7.5
